

Devizes Window Wanderland FAQs

How do I sign up?

Go to the [events page](#), and click 'Take part in this event'. You will get a confirmation email from your local organiser. Or you can email your address to production@docadevizes.org.uk and we will add your Window to the map manually.

Will it cost me money?

No, we are not asking for money to take part. The only cost involved will be for the materials used to create your window display. If you enjoy the evening and find yourself in Devizes Town Centre for the [Winter Festival](#) please feel free to donate in one of the charity collect buckets.

How do I make a display?

Anything goes, as long as it is child-friendly! But you can find more inspiration on our [gallery](#).

I am not an artist, what should I do?

See above. There are no expectations or judgements, so just have a go and leave your curtains open! A 'display' can be fairy lights – or your favourite book, a photograph of someone important to you or a political statement.

Where can I find inspiration?

Visit our [wonderful gallery](#) or our social media feeds for inspiration @windowwander #windowwander.

Can I make a display and go out on the trail?

Yes. We hope you do!

I live high up in a flat, can I still join in?

Absolutely, in fact higher up windows are easier to view from the street.

Are there any 'rules'?

NO, but there are a couple of guidelines:

- It's not all about windows – you can use gardens, cars, campervans...
- Make sure your display is safety conscious and child-friendly.
- Music can be a fab addition — but make sure your neighbours don't mind.

Help, I ran out of time!?

Remember this is not supposed to be stressful. If you don't make anything, open your curtains anyway and add a sign saying 'Ran out of time'. No one will mind!

How do I address my neighbour's concerns?

Ask them to read this website, especially these FAQs.

Do I have to give my address — can't I just do a display on the night?

You can, but without your address on the map, people won't know to come and see your window. By signing up you are helping your organiser to gauge interest too.

If I sign up will I get marketing emails forever more?

No, your email will be used to talk to you about your Window Wanderland, nothing else.

I am having technical issues!

Contact your organiser using the button on your event page. They should be able to help. Or get in touch with us directly email production@docadevizes.org.uk

Will anyone come into my house?

No, this is an outdoor trail.

Will people be able to see inside my house?

This is up to you and the type of display you put on, but make sure you cover anything you don't want people to see.

Will Window Wanderland bring people from outside my area to my street?

In our experience, people do invite their family and friends to share in this happy event, show off their display and feel proud of their community.

Will it be noisy and crowded?

The aim is to achieve a sense of community and togetherness, so your street may be busier than usual for a couple of hours. The aim is for people to enjoy the Window display and move on to the next.
